1. All day just think-ing of you. All day with  
2. The day seems like it won't end. — It's so lone-ly with-

1. you on my mind. — Wish you were here. Wish you were  
2. out you, my friend. — Wish I could be with you to -

1. near. Wish you could see the tears I cry — when you're a -  
2. day. I know I'd — find a way to say — just — how

1. way. — Sure I am of your — love. Sure I am of  
2. hap-py I am. —

mine for you. — Yet still I  
I am — sure for you. — Yet still I

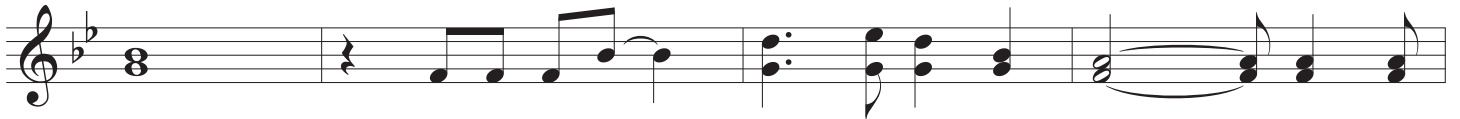

find my-self some-times con-fused and sud-den-ly that's the time when I need you. —

3. So you see why I'm think-ing of you. Why I spend my time with

Wish You Were Here (2 part choir score)

3. you on my mind — wish-ing you were — here; wish-ing you were —

3. near; wish-ing I could — find a way to say — just how
