All day just think-ing of you. __

All day with you on my mind. Wish you were here.

Wish you were near. Wish you could see the tears I

cry __ when you're a - way. __

pedal harmonically

Wish You Were Here

The day seems like it won't end. It's so lone-ly with-out you my friend.

Wish I could be with you to-day.

I know I'd find a way to say just how hap-py I am.

Sure I am of your love. Sure I am of

mine for you. Yet still I find my-self some-times con-fused and sud-den-ly that's the time when I need

Wish You Were Here

you. _____ So you see why I'm

think-ing of you. Why I spend my time with you on my mind. Wish-ing you were

here. Wish-ing you were ___ near. Wish-ing I could

find a way to say _____ just how hap-py I am. _____
